

Tennis and Pickleball Court Rules and Reservation Procedure

Last revised: August 4, 2020

Our new tennis and pickle ball court was completed July 27, 2020 by Cape & Island Tennis and Track, New England's premier court designer and builder.

It includes two pickleball courts, one on each side of the tennis net. The pickleball nets when placed in position are parallel to the tennis net. We have two portable pickleball net systems which are stored in a large plastic chest inside the court. You only need to bring your paddles and balls. Pickleball is all the rage because it's a great active game in which both young and old can equally enjoy.

Sign up sheets are provided in its usual place on the front porch of Building 1. You will be able to reserve either one of the pickleball courts or the tennis court for one hour of play at a time. After your allotted time has ended, you can sign up for your next hour. If two unit owners choose to play with each other, then any of the courts can be reserved for a maximum two hour period. See sample signup sheet below.

The Board recommends that the system be put together by adults or under the supervision of adults when children will be playing to avoid the possibility of injury, improper setup, or damage.

Appropriate NON MARKING soled tennis shoes should be worn to protect the court's surface. Regular leather soled shoes or black soled sneakers should never be worn on our court or any other hard court.

A high quality combination lock is being installed in the very near future. In the meantime, a chain with combination padlock will be used to secure the gate. The combination is 3-2-5-1.
